

# *Sutter Creek Community Benefit Foundation*

November Newsletter, 2019

## **Giving Tuesday - December 3, 2019**

Giving Tuesday, or #GivingTuesday, was started in 2012 as a movement to create a day of international charitable giving and is held on the Tuesday after Thanksgiving. This is your opportunity to help support SCCBF's dedication to the restoration, preservation, and development of Sutter Creek's historical assets.

SCCBF is under the umbrella of the Amador Community Foundation (ACF), and by giving on December 3, ACF gives this nationally recognized annual giving campaign a special local twist. By making ONLINE donations at [giveamador.org](https://giveamador.org) on #GivingTuesday, your dollars will go further, thanks to extra incentives from our local Matching Grant Sponsors.

Upgrading and refurbishing of the Sutter Creek Historic Grammar School continued in 2019. The cafeteria room now has new appliances, flooring, and a large island. Solar roller blinds have been ordered and will soon be installed. Both restrooms in the upper level have also been improved with new flooring, paint, and new toilets. The historic grammar school still needs to have the gutters replaced and the lower rooms refurbished; however, the cafeteria room and three other rooms are now available to rent for special events, classes, parties, etc.

## **Museum**

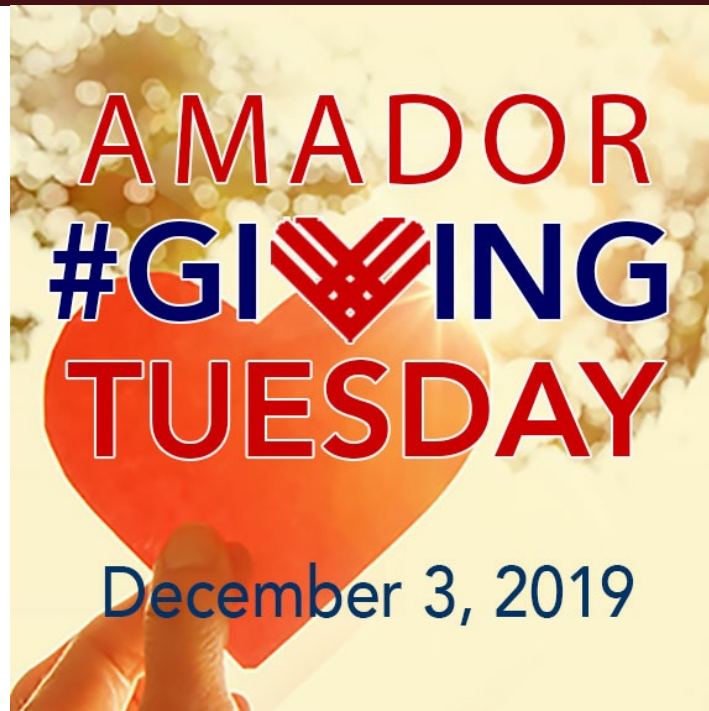

**A major focus in 2020 will be to continue work on creating a Sutter Creek Museum, located in one of the upper level**

rooms.
