Restoration News in 2020

The Sutter Creek Community Benefit Foundation (SCCBF) is dedicated to the restoration, preservation, and development of Sutter Creek's historical assets and community culture.

The Foundation's initial focus has been on the development of Miners' Bend Park and the restoration of the Historic Sutter Creek Grammar School. Miners' Bend Park was completed in 2016.

The grammar school has been returned to public use

and has a new warming kitchen, refinished floors,
and interior painting.

Seventeen new windows are waiting to be installed before the end of this year. The windows are UV resistant, dual-pane gas filled, and insulating. They will be placed in the entire 1871 west wing. There is also new insulation and a modern security and fire alarm system.

Looking toward next year:

- A grant to help pay for upgrading the HVAC system will be submitted;
- Work will continue on a community heritage project to be

housed in "Room 4". Keep an eye on "Room 4" for future updates!

- Three high school scholarships will be awarded to students with an appreciation for historic preservation; and
- Restoration of flag poles at the grammar school and Minnie Provis Park.

Longer term goals include painting of the grammar school's exterior and additional restoration projects within the community.

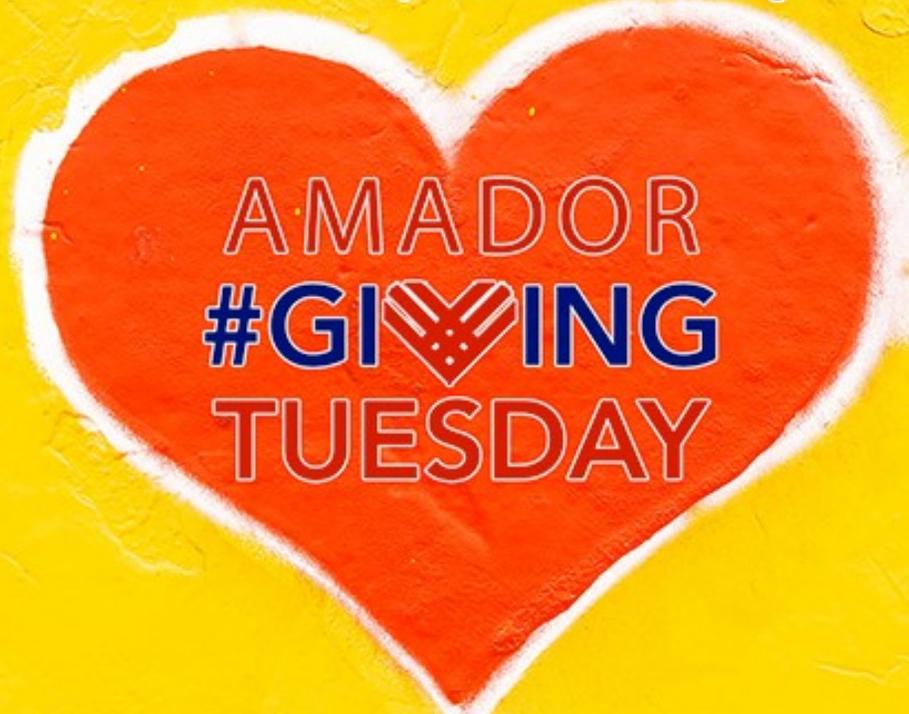

The community can be rightfully proud of the accomplishments they have made possible through their support of the SCCBF. We need your continued support in order to be successful. However, we also recognize that 2020 has been a very difficult year for us all.

If you are able to provide financial support to our organization, we would greatly appreciate it and ask that you take advantage of the Giving Tuesday campaign with a tax deductible donation, renew your membership, or become a member.

Again this year the Amador Community Foundation is offering matching funds for donations made on December 1, 2020 or checks that are dated December 1.

THANK YOU for considering us at this time or on Giving Tuesday. (We will be sending out our information again on December 1.)

Now, more than ever,
with fundraisers cancelled
Giving Tuesday is critical
for our nonprofit community
