Recent Safety Improvement at the Historic Sutter Creek Grammar School

The old crumbling sidewalk and landing for the stairs at the south side and rear entrance has been replaced. Not repaired, but jack-hammered out and completely removed and hauled away. A new reinforced bed of rebar was laid and fresh concrete poured and finished to create a new, safe sidewalk that will last for decades to come.

A new walk was also constructed on the north side where none previously existed. It is now possible to walk all the way around this historic building safely.

This much needed improvement was made possible thanks to a generous donation from Sean Murphy of Town and Country Contractors Inc. Sean and his company have funded numerous

projects throughout the restoration efforts led by the Sutter Creek Community Benefit Foundation. Financial support such as this is critical to the success of our restoration efforts.

John Swift, one of the Directors of the SCCBF, contracted Josh Hill of James Hills Concrete Company to do the job.

SCCBF's current renovation project is the Historic Sutter Creek Grammar School which is rich in Gold Rush history. This beautiful building is California's second oldest two-story brick schoolhouse. There are four rooms within the Historic Grammar School that can be rented. Contact the City of Sutter Creek for information on rates and availability - (209) 267-5647 ext. 230 or email info@cityofsuttercreek.org / [website - cityofsuttercreek.org](http://website-cityofsuttercreek.org)

The Sutter Creek Community Benefit Foundation (SCCBF) is dedicated to the restoration, preservation, and development of the community's historic assets both now and for future generations. (nonprofit 501(c)3 – Tax ID #87-1825043)
